

Cotter, Theresa. **Christ Is Coming: Celebrating Advent, Christmas & Epiphany.**

Our celebration of the Incarnation not only recognizes the birth of the historical Christ, it is also a time to recognize the sacramentality of everyday life. Being busy during this holiday season is not necessarily contrary to the spirit of the season. This collection of prayers, celebrations, reflections, Scripture readings, and projects for the Incarnation seasons of Advent, Christmas, and Epiphany will increase both the enjoyment and the blessedness of this wonderful season of anticipation and celebration. The busier we are, the more we need prayer and meditation to remind us that we need to focus on the coming of Christ. "A voice cries out: In the desert, prepare the way of the Lord."
