A **JIGSAW PUZZLE** is a set of numerous interlocking pieces that are assembled together to produce a complete picture. Each piece is unique. When fit together, each piece contributes to the entire puzzle. **Scriptural concepts use the metaphor of the Jigsaw Puzzle** to illustrate how diverse parts (scriptures, people, life events) interlock to reveal a greater, unified picture, typically centered on Jesus Christ or God's plan, with individual pieces (Scriptures, believers, life challenges) finding meaning only when assembled into the whole.

- **The Bible as a Puzzle:** Old Testament prophecies and New Testament fulfillment form a complete picture of Jesus; individual parts (verses, stories) gain meaning when connected to the whole narrative of Christ.
- **The Body of Christ:** Believers are unique, interlocking pieces that form one complete body, with each member contributing to the overall image and function.
- **Life's Journey:** Daily experiences, challenges, and questions are like scattered puzzle pieces; God, the "Master Builder," fits them together over time to reveal His purpose and bring wholeness.
- **Spiritual Growth:** Understanding God's will involves patiently assembling life's "pieces," aligning with Him to see how seemingly disconnected events serve His larger plan.

### **Biblical Concepts Illustrated by Jigsaw Puzzles**

- **Unity in Diversity:** Different people and gifts (1 Corinthians 12) create one body.
- **Faith and Patience:** Trusting God to complete the picture even when the "box top" (future) isn't clear (2 Corinthians 5:7).
- **Christ as the Center:** The ultimate picture revealed by all the interlocking pieces of scripture and life is Jesus.

### **Interlocking Puzzle Pieces Fit Together**

Most jigsaw puzzles are "fully interlocking," adjacent pieces interconnect with one another staying joined structurally allowing it to maintain its shape when moved. The fit is both visual and structural. However, non-interlocking puzzles are pieces that are not fully interlocking. The pieces match visually, but not always structurally which allows it to be moved.

God creates the Body of Christ to be like interlocking puzzle pieces, rather than non-interlocking ones. Each of us is endowed with unique strengths. When members of the Body find and use their strengths and value strengths in one another, we interconnect with each other to form a whole. Together we are stronger and can withstand changeable movements that are part of growth. We're designed to fit together to reflect the character of Jesus ... and for our connections to remain strong.

But if one doesn't know their strengths and use them, they may shift purposelessly, much like non-interlocking puzzle pieces that lack clarity about fit.

### **Interlocking Puzzle Pieces Produce Order**

Once the pieces are dumped into a pile of "confusion" they are turned face up and the sorting process begins. Each puzzle piece displays just a tiny part of the picture's full image. Border pieces are grouped together. Similar colors or visual textures pieces are clustered. Awareness begins to bring order from the confusion.

Likewise, confusion develops when God's people are not aware of their strengths. Awareness of your strengths begins to bring about order from the confusion.

The process begins when you allow God to "sort" – or identify – your strengths. In discovering your strengths, you begin to see the tiny portion of God's image that you represent. God can reveal where He has placed you to use those strengths. He can use you to begin to create order.

### **Interlocking Pieces Build on One Another**

After sorting the pieces, the interlocking puzzle comes together piece by piece, as one joins with another. A correctly-placed puzzle piece paves the way for more puzzle pieces to be added.

Likewise, the people in Body of Christ are assembled one at a time beginning with one person willing to be used where God places them. That willingness allows them to lead from their strengths and to interlock with another showing that their strengths are needed also to complete the "Picture".

# Happy Birthday to You!

Fr. Paul will give a special blessing during Masses next weekend, January 31 & February 1 as we celebrate February birthdays.

Children's Liturgy of the Word (CLOW) returns Sunday, February 1st during the 9:00 a.m. Mass. Children in School of Religion and others in grades Kindergarten to seventh are invited to participate in Children's Liturgy of the Word. After the Opening Prayer at Mass, Fr. Paul will invite the children along with their phenomenal adult catechists to come up to the foot of the sanctuary for a blessing and dismissal. During CLOW, the children will take part in the Sunday scripture at their level. Terminology at the appropriate age level helps the children to understand and appreciate the Gospel message of Jesus Christ. This is a great way to help the kids in their faith formation and development. We strongly exhort parents to encourage their kids to attend. Participation at CLOW is required for all those preparing for the First Eucharist and First Penance and Reconciliation.

## Blessing of Throats

In the Catholic Church there is the worldwide customary practice of blessing throats on February 3, the Memoria of St Blaise, or at the weekend Masses near the feast. Next weekend, at all Masses, throats will be blessed. Why are throats blessed on February 3 or on a date close to February 3? Why is the blessing of throats associated with St Blaise?

St Blaise was the bishop of Sebaste in Armenia in the fourth century. Very little is known about his life. According to various accounts, he was a physician before becoming a bishop. Before being martyred, he is said to have healed a boy who was choking because of a fish-bone in his throat. Since the eighth century, Saint Blaise has been invoked on behalf of the sick, especially those suffering from illnesses of the throat. We pray in a special way today for protection from afflictions of the throat and from other illnesses. The blessing of Saint Blaise is a sign of our faith in God's protection and love for us and for the sick. The Church has always shown great love and care for those suffering from any form of illness. The Church teaches that: "part of the plan laid out by God's providence is that we should fight strenuously against all sickness and carefully seek the blessings of good health, so that we may fulfill our role in human society and in the Church." *Pastoral Care of the Sick: Rites of Anointing and Viaticum*, no. 3.

During the blessing of the throats the minister, touching the throat of each person with crossed candles says: Through the intercession of Saint Blaise, bishop and martyr, may God deliver you from every disease of the throat and from every other illness. In the name of the Father, and of the Son, and of the Holy Spirit.

Each person responds: Amen.

In the Gospels, we read how Jesus is concerned about the sick. In the Gospel of Mark, after this Resurrection while commissioning the eleven, Jesus said: "go into the whole world and proclaim the gospel to every creature. Whoever believes and is baptized will be saved; whoever does not believe will be condemned. These signs will accompany those who believe; in my name they will drive out demons, they will speak new languages. They will pick up serpents with their hands, and if they drink any deadly thing, it will not harm them. **They will lay hands on the sick, and they will recover**" (Mark 16:15-20).

May St Blaise intercede for us so that we may be delivered from any diseases of the throat and from every other illness.

## A Prayer for Catholic Schools

*Good and gracious God,  
we pray that the focus and foundation of  
our Catholic schools  
will always be the person of Jesus Christ.*

*May we remember that we are  
called to work together  
as part of your universal Church  
to build your kingdom in our midst.*

*Let each of our Catholic schools,  
no matter how large or how small,  
be recognized by its commitment to excellence,  
its efforts to form the whole child,  
its hospitality towards all,  
and its intentional development as a community of  
faith, collaboration, trust, and love.*

*Help us to view every aspect of our world  
through the lens of the Gospel and the  
teachings of our faith, and let every member of our  
Catholic school communities  
become a visible example of what it means  
to put faith into action.  
Amen!*

The background is slightly out of focus, showing shelves with more baked goods and a window with a view of the outside.
