

Keating, Thomas. **The Kingdom of God Is Like. . .**

Some of the most vivid messages in the Gospels are found in the parables and sayings of Jesus. In this book Father Keating reflects on many of these parables, from the Parable of the Good Samaritan to the Parable of the Unjust Judge. He often responds to the parable story with another story from our own time. When rightly understood, the parables help us see how wise a teacher Jesus was. How revolutionary, in the best sense of that word, was the content of what he taught and to which he bore witness by his life and by his death. Sometimes their very familiarity causes the modern reader to miss the insights these stories offer into the most profound issues of life. Although originally told to people living in a vastly different world from today, these stories are timeless and have much to say to today's readers. (Call No. 226.8-KEA)
