

## COVID-19 Procedures and Policies for Funeral Masses at St. Paul's Church

Please review the following information and let us know if you have any questions.

*These policies are subject to change as CDC & NYS guidelines are revised.*

- **Masks are required in the building at all times.** St. Paul's Church follows CDC, NY State, and Monroe County Health Department guidelines.
- Social distancing is required by anyone not fully vaccinated, and are optional for those who are. We have seating available for both. The ushers will help if assistance is needed.
  - The seats nearest the walls with the screens (sections A and D) are distanced six feet apart.
  - The seats in the center sections of the church (sections B and C) are closer together.
- Sanitizer is available throughout the building.
- If you or a guest is ill or does not feel well, please stay home.
- No physical contact for greetings, the Sign of Peace, and The Our Father prayer.
- Let us know in advance if you have any special needs (i.e. gluten free host, someone is in a wheelchair, someone needs a chair with arms).
- Assistance will be provided by the usher(s) to find a seat. Please do not move any seats.
